

### **Best recipe for the inevitable run-in with a skunk**

If your pet had a run in with a skunk then this recipe will help you remove the smell:

- 1 quart of 3% Hydrogen Peroxide
- 1/4 cup Baking Soda
- 1 teaspoon liquid soap / dishwashing detergent

Mix all the above in a bucket or bowl.

Thoroughly wet your pet with the solution.

Knead it well into his coat being careful to keep the formula out of the eyes, nose and mouth.

You can use a sponge to carefully wipe it onto the face.

Once finished rinse the animal thoroughly with clean water.
